Dear Mr. Rudy:

On August 19, 2015, the U.S. Environmental Protection Agency Region 8 (EPA) requested that Toeroek Associates, Inc. generate two copies of Sunnyside Gold Corporation's Response to EPA's 104(e) Information Request regarding the Upper Animas Mining District in San Juan County, Colorado, dated May 14, 2013. Specifically, EPA requested that only non-confidential business information (non-CBI)-related materials be provided. The requested information is being submitted on the two external hard drives, which are enclosed with this letter.

Each external hard drive contains Sunnyside Gold Corporation's Response, dated May 14, 2013; the supporting documents numbered SGC-000001 to SGC-093316; and the mine videos that Sunnyside Gold Corporation submitted as part of its 104(e) Response.

If you have any questions, please do not hesitate to contact me at (720) 898-4105 or lgarner@toeroek.com.

Thank you,
